Effective Start Semester: Summer 2013 <i>Spring 2014</i></p> <p>Reason for Moratorium Request: Quite a few of the non-History courses listed for the current specialization are no longer offered or have been moved to levels that are inappropriate for the specialization. History has consulted both internally and with the other units whose courses are on the current menu of courses for the program (Arts and Letters, English, IAH, Music, and WRA), and the only solution seems to be to place the specialization into moratorium while we decide (1) whether we wish to continue to offer the specialization and (2), if so, whether appropriate courses exist to enable us to continue to offer a coherent, viable program.</p> <p>Effective End Term: Fall 2014</p> <p>Students who will be affected by the proposed change(s): Only one student is currently coded for the specialization.</p> <p>Suggested alternative major and major code for new admits: Students who are interested in this topic might find the following specializations of interest: African American and African Studies, African Studies, Latin American and Caribbean Studies, Postcolonial and Diaspora Literature and Culture</p>
