<p>1. Department/School/College: 38366 Department of Geography</p> <p>2. Name of Program: Geography</p> <p>3. Name of Degree: BS</p> <p>4. Type of Program:</p> <p>5. Effective Start Semester: Fall 2014</p> <p>Reason for Moratorium Request: Geography has undergone a thorough review of its majors, in light of the fact that our major counts are low. It is our goal to make our major more rigorous and more appealing to students and, as a result, enabling them to be better prepared to enter the workforce or graduate school. We believe the changes we are recommending will accomplish these goals. We believe by focusing on the environmental aspects of this new major, it will not only be more attractive to a wide variety of students, but will better train them for careers in the field.</p> <p>Effective End Term: Fall 2015</p> <p>Students who will be affected by the proposed change(s): Undergraduate students at Michigan State University with interest in Geography. New undergraduate programs submitted to better focus students in academic goals - BA Human Geography and BS Environmental Geography</p> <p>Suggested alternative major and major code for new admits: New undergraduate programs submitted - BA Human Geography or BS Environmental Geography</p>
