MEMORANDUM

TO: Dr. Douglas Estry, Associate Provost for Undergraduate Education
and Dean of Undergraduate Studies

FROM: Dr. Linda O. Stanford, Associate Provost for Academic Services

RE: Request for a New Linked Bachelor of Arts Degree in Journalism and
Master of Arts Degree in Health and Risk Communication

For Transmittal to the University Committee on Undergraduate
Education (UCUE)

The request referenced above is being sent to the University Committee on Undergraduate Education (UCUE) in accordance with the *Bylaws for Academic Governance*, 4.4.

UCUE Response Requested:

Please ask the committee to consider the request referenced above and provide consultative commentary. Please mail the related materials referenced under the heading Attachments at the end of this memorandum to the committee members.

After receiving the committee's consultative response, the Provost will make a determination to forward or not to forward the request to the University Committee on Curriculum for its approval of curriculum and degree requirements.

If you have any questions, please call Joy Speas, University Curriculum Administrator, at 5-8420.

Thank you.

COLLEGE OF COMMUNICATION ARTS AND SCIENCES

1. Request to establish a **Linked Bachelor of Arts Degree in Journalism and Master of Arts Degree in Health and Risk Communication** in the College of Communication Arts and Sciences. The University Committee on Undergraduate Education (UCUE) will consider this request. The University Committee on Graduate Studies (UCGS) will consider this request at its September 9, 2013 meeting.

Per University policy:

A candidate for a Linked Bachelor's-Master's Degree from Michigan State University may request the application of up to 9 credits toward the master's program for qualifying 400-level and above course work taken at the undergraduate level at Michigan State University or an external accredited institution. The number of approved credits, not to exceed 9, are applied toward the credit requirement of the master's degree. Credits applied to the Linked Bachelor's-Master's Program are not eligible to be applied to any other graduate degree program.

- a. Add the following statement in the College of Communication Arts and Sciences and School of Journalism:

LINKED BACHELOR'S-MASTER'S DEGREE IN HEALTH AND RISK COMMUNICATION
Bachelor of Arts Degree in Journalism
Master of Arts Degree in Health and Risk Communication

The school welcomes applications from Michigan State University undergraduate Journalism majors with at least 86 credits. Admission applications must be made prior to the final semester as a Journalism undergraduate. The number of students admitted to this linked program will be limited by availability. Admission to the program requires a minimum undergraduate grade-point average of 3.50, a statement of goals for the master's degree, Graduate Record Examination scores, at least two letters of recommendation from faculty in the School of Journalism or Health and Risk Communication faculty, a resume, and an approved program of study for the master's degree at the time of admission. It is recommended that students complete a special topic in the area of health and risk communication through COM 399 Special Topics. Admission to the Linked Bachelor's-Master's Program allows the application of up to 9 credits toward the master's program for qualifying 400-level and above course work taken at the undergraduate level at Michigan State University or an external accredited institution. The number of approved credits, not to exceed 9, are applied toward the credit requirement of the master's degree. No 400-level courses with a grade lower than 3.0 will count toward the master's degree. Credit obtained from 400-level pass-fail courses and internships will not count toward the degree. Credits applied to the Linked Bachelor's-Master's Program are not eligible to be applied to any other graduate degree program.

Effective Spring 2014.
